

Privacy Policy

Application: Panelka Jump | **Effective Date:** August 29, 2026 | **Developer:** mshapkov-afk

This Privacy Policy applies to the mobile game **Panelka Jump** (hereinafter referred to as "the Application"), developed by **mshapkov-afk** ("we", "us", or "our"). This document explains how information is collected, used, and safeguarded when you download, install, and play our game via Google Play Store or Apple App Store.

1. Account Registration & User Data (Optional)

Panelka Jump can be played as a standalone game without creating an account. Account creation and sign-in are entirely **optional** and provided via **GDevelop Services** (including Google Sign-In, Apple Sign-In, or Email authentication) for players who wish to sync their progress across devices.

- **Optional Account Data:** If you choose to register or sign in, basic authentication tokens, user IDs, or email addresses associated with your account are processed to maintain your account profile.
- **Cloud Save & Storage:** For registered users, game progress and achievements are securely synced and stored in the cloud using **JSONBin.io**. For guest players, progress is saved locally on the device.

2. Data Collected Automatically & Third-Party Services

To deliver ads, process purchases, and ensure game functionality, the Application integrates third-party SDKs that may automatically collect certain technical data, including:

- **Device & Network Information:** Device model, operating system version, unique mobile identifiers (e.g., GAID / Advertising ID), and IP address.
- **In-App Purchases:** Billing transactions are handled directly and securely by the **Google Play Billing system**. We do not collect or store your credit card details or financial information.

Third-party service providers utilized by the Application include:

- **AdMob (Google):** Used for delivering in-game advertisements.
- **Google Play Services:** Used for achievements, leaderboards, and store services.
- **JSONBin.io:** Used as a secure cloud database for storing optional user save data.

3. Application Permissions

Panelka Jump does not request any sensitive runtime device permissions (such as Camera, Microphone, Location, or Contacts).

4. Children's Privacy (COPPA & GDPR Compliance)

The Application is designed for a general audience. We do not knowingly collect personal information from children under the age of 13 (or 16 in certain EU jurisdictions). If a parent or guardian becomes aware that their child has provided personal information without consent, please contact us immediately to have such data removed.

5. Data Safety & Data Deletion Rights

User Rights & Account/Data Deletion

In compliance with Google Play Developer Policies, all players who choose to create an account have the right to request the deletion of their account and associated cloud data stored in JSONBin. If you wish to permanently delete your registered account and cloud-saved progress, please send a deletion request to **panelkajump@gmail.com** with your registered email details.

6. Security

We value your trust in providing your data. We strive to use commercially acceptable technical measures to protect your information, though no method of electronic storage or transmission over the internet is 100% secure.

7. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. Changes are effective immediately upon posting.
